# THE LORD OF MIRACLES

*Lord of Miracles, be with us. Inspire us to do all things nobly and selflessly for the good of all and for the Glory of God.*

The Christian philosophy is based upon miracle transformations, miracle healings, miracle exorcisms, miracle reconciliations and miracle gifts received through the mediation of Christ Jesus.

Jesus was conceived supernaturally through a miracle. All during His Ministry, He performed miracles, beginning at the Wedding of Cana where He changed water into wine. *“This beginning of miracles did Jesus in Cana of Galilee, and manifested forth his glory; and his disciples believed on him” (St. John 2:11).*

Jesus left to His followers a heritage of miracles and promised them that after His Ascension He would continue to manifest miracles in their lives and through their prayers.

*Miracles are always present in the Coinciding of our Lord Jesus.*

*-Ann Ree Colton*

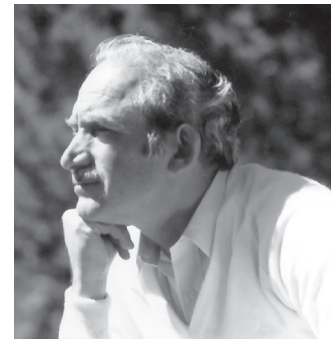

Multitudes of Christians today are in bondage to doubt through the Antichrist. Even as they doubt that God can provide for them and heal them, so do they doubt the Power of Jesus to perform miracles. When men take the promise of miracles out of religion, they have a sterile religion. A true follower of Jesus expects miracles, experiences miracles, and inspires others to approach Jesus as the Lord of Miracles.

*Then those men, when they had seen the miracle that Jesus did, said, This is of a truth that prophet that should come into the world.*

*-St. John 6:14*

*“If ye then, being evil, know how to give good gifts unto your children: how much more shall your heavenly Father give the Holy Spirit to them that ask him?” (St. Luke 11:13)* An earnest devotee who asks for the Holy Spirit is the recipient of priceless blessings. Through progressive anointings by the Spirit of God, he experiences the quickening of virtues and conscience. If he realizes that the Holy Spirit is anointing him with steady increases of virtues and conscience, he will be able to assist the Creator during his spiritual transformation.

Through quickened virtues, the devotee will experience the birth of the power of miracles.

*From understanding come virtues. From virtues come spiritual gifts. And from all of these come the miracles.*

*-Ann Ree Colton*

Jesus emphasizes the importance of asking, for asking is the key to the receiving of miracles. *“Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you” (St. Matthew 7:7).*

Sacred keys to the manifestation of miracles through asking are: (1) the fulfillment of all scriptural Laws and Commandments; and (2) whatever is received through asking should be used only for the purpose of glorifying God. If one is willing to abide by God’s Laws and Commandments and to glorify Him, his asking will reap the continuous fruits of miracle-blessings that carry the signature of the Lord Jesus.

*And whatsoever we ask, we receive of him, because we keep his commandments, and do those things that are pleasing in his sight.*

*-1 John 3:22*

Virtues contain the energy-essences of the kingdom of heaven. When one asks for and receives virtue-quickening, the virtue-energies received in his heart and mind become his passport into heaven during prayer and meditation, during his dreams of the night, and during the life after death. Saints and other enlightened souls remain at one with the Kingdom of Heaven through their quickened virtues. Each virtue-energy is an integral part of the Light of the Christ and the Spirit of God.

*The virtuous man is happy in this world, and he is happy in the next; he is happy in both.*

*-Buddha*

*All holy virtues, God keep you, God, from whom you proceed and come.*

*-St. Francis of Assisi*
